

# How to return?

## A. Before packaging

Take out the prepaid return label. Do not stuff loose materials inside the boxes.

## B. Filling

1. Close the **3 red sorting boxes** and put them in the case on the left-hand side.
2. Place all **blue plates**, as well as the grey plates, next to it on the ground, on the right.
3. Close the 3 round boxes and insert. Close the zipper bags and insert.
4. **Insert remaining materials unsorted.** Don't squeeze too much, Lego will break!
5. Place the **green plates** on top.
6. Fold the **grey base plate** and place it on top.

## C. Closing

Lock both tabs of the trolley case. Insert case to the initial cardboard box, tape it properly and attach the return label on the cardboard box.

## D. Return

**Parcel (UPS):** Drop-off at an UPS Access Point or pickup order.
